Hi Dan and Phil. We are on target to get you guys the draft Gasworks report this afternoon. Either Sean or I will be emailing you a copy. We will be available to answer any questions you, or other stakeholders, may have after you've had a chance to review the document. We also will not be forwarding it to anyone else until you direct us to do so.  
Sincerely, Dave

Phil:  
Pursuant to my tele-con with Dave Cook of GeoEngineers this afternoon, the draft Report is currently in its completion stage with some additions still to be completed. Dave stated that an electronic copy of the draft could be forwarded to me as soon as tomorrow.

Hope this works!
